Registration

Register through the registration form. Through your registration you accept the conditions. You will receive an invoice after registration. The number of participants is limited. Priority will be given to participants with paid invoices. Avoid that your participation will be refused by making sure that the invoice is paid before the start of the program.

Cancellations

Cancellation is possible up to 3 weeks before the start of the program and has to be by letter. Afterwards the full fee is due. If you are unable to attend before the start of the program, a colleague can participate instead of yourself. This is not possible when the workshop has started. If you leave the program before the end, no refund can be made.

In-Company

All of the workshops can also be delivered and customized for your organization. The action workshops are delivered in English and Dutch across the world in a location of your choice.
